

Re-Registration using TID-C

1. Visit www.ccpohio.org/css and click on "REGISTER".

2. From CSS home page on the upper right corner, click "Login or Register"

3. If you have previously created a CSS account, enter the email address associated with the account and click 'Next'. If you are creating a new account, click the Sign Up link to begin the registration process. For the process to work properly, you must sign in using the email option only, do not sign in using the access services.

4. Enter your CSS password and click 'Verify' and follow the prompts to complete the process.
